## Useful Resources

Google Sites for e-Portfolio

Google sites can be used by CCT staff and students from the drive in Gmail. Go to the drive and in the top left-hand corner, select *add new* then scroll down to Google Sites. Students can keep their portfolios private, share them with particular email addresses or publish them on open access in full. There is no charge for this facility. This 6-minute video provides a good overview at: <https://youtu.be/WUmsY6UGA7I>. Google sites is being used by a wide variety of academic institutions across the sector re its ease of use etc.
